

As Historians we will:

- Investigate how countries have adapted to extreme weather conditions over time.
- Learn about the development of Cambridge and how this affects our local community.

As Geographers we will:

- Study extreme weather conditions.
- Find out about how tsunamis occur,
- Find out about tsunami safety.
- Investigate how aid agencies support people after a disaster and what would need to be provided .

As Artists and crafts people we will:

- Study the work of the Japanese artist Hokusai.
- Investigate different methods of printing making.

As Internationally Minded People we will:

- Discuss the importance of respecting others and consider ways in which we can demonstrate our understanding.
- Understand strategies for responding to bullying.
- Continue to develop our French vocabulary for songs and conversation.

As Technologists we will:

- Design and make products to meet specific needs.
- Use simple tools and equipment with some accuracy.

Year 3 – Spring Term 1

Wonderful World

As Sports People we will:

- Use control and coordination of movement whilst performing a sequence using hand apparatus.
- Develop skills of speed, strength, level and direction in a dance routine.

As Mathematicians we will:

- Develop our understanding of place value and counting.
- Develop our fluency in this through problem solving and reasoning activities.
- Increase our fluency at times tables and the corresponding division facts.
- Learn column methods for addition and subtraction.
- Learn new written methods for multiplication and division.

As Scientist we will:

- Compare and group materials together, according to whether they are solids, liquids or gases.
- Observe that some materials change state when they are heated or cooled, and measure or research the temperature at which this happens in degrees Celsius (°C).
- Identify the part played by evaporation and condensation in the water cycle and associate the rate of evaporation with temperature.

As Musicians we will:

- Be learning a and b notes on the recorder.
- Learn how to read music.
- Learn what crotchets and quavers are.
- Learn to play in time.

As Writers we will:

- Write explanation texts about different types of extreme weather.
- Continue to learn about sentence structure (simple sentences, compound sentences, complex sentences.)
- Read stories from other cultures and gather inspiration to write some of our own.
- Learn to punctuate speech.
