

As Mathematicians we will:

- Calculate by adding, subtracting, multiplying and dividing.
- Read and present data in simple ways.
- Practice our fluency in counting and calculation.
- Find simple fractions of numbers.
- Solve real life problems in a variety of contexts.

In PSHCE we will:

- Know how to keep safe when using the computer.
- Know our own address and telephone number and how this can help us.
- Learn about how people might feel in a risky situation.
- Know people who can help us when we have a problem.

In Music we will:

- Sing and play songs about toys.
- Hear and make pitch patterns.
- Create simple melodies.

In Art we will:

- Design our own teddy bear.
- Use tools to create texture in paint.
- Make our own board games.

As readers we will:

- Apply sounds we know to read increasingly challenging words.
- Learn alternative letter patterns for sounds we already know.
- Enjoy rereading familiar stories.
- Read poems.
- Read Traction Man by Mini Grey.

As writers we will:

- Apply sounds we know in our writing.
- Spell words that do not follow the usual phonetic patterns (common exception words).
- Write our own Traction Man story.
- Write our own poems about our senses.
- Write a recount in the form of a memory book.

KS1 Summer 2

Toys from the past.

In Science we will:

- Identify plants and animals in their habitats.
- Suggest why animals live in that habitat.
- Complete a wildlife survey.
- Present data from our survey.

In PE we will:

- Become confident in the water.
- Develop our swimming strokes.

Oak – Thursday and Friday

Willow – Wednesday and Thursday
Children will need their swimming kits!

In Design Technology we will:

- Sew simple puppets.
- Make puppets with moving joints using split pins.

In History we will:

- Investigate toys that were used in the past.
- Find out how some toys were invented.
- Discuss how toys have changed within living memory.

In Computing we will:

- Copy and paste an image from the internet.
- Present simple information about toys.

In RE we will:

- Explore why Buddha is important to Buddhists.
