

Pupil premium strategy statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Girton Glebe Primary School
Number of pupils in school	172
Proportion (%) of pupil premium eligible pupils	17
Academic year/years that our current pupil premium strategy plan covers - 3 year plans are recommended	2022/2023 to 2025/2026
Date this statement was published	December 2022
Date on which it will be reviewed	July 2023
Statement authorised by	Chris Butler
Pupil premium lead	Roisin Roddy
Governor / Trustee lead	Alex Read

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£20,775
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£20,775

Part A: Pupil premium strategy plan

Statement of intent

Our intention is that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who have wider agency involvement and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set and the aspirations are as high for the whole-school community
- act early to intervene at the point need is identified through affective assessment
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Assessments, observations, and discussions with pupils indicate underdeveloped oral language skills and vocabulary gaps among many disadvantaged pupils. These are evident from Reception through to KS2 and in general, are more prevalent among our disadvantaged pupils than their peers. The gap is already notable from the point children join us at Reception.
2	Assessments, observations, and discussions with pupils suggest disadvantaged pupils generally have greater difficulties with phonics than their peers. This negatively impacts their development as readers. This was at its most noticeable in our phonics 21/22 phonics screening 8.6% (2/3) of our disadvantaged students not passing.
3	Internal assessments indicate that maths attainment among disadvantaged pupils is significantly below that of non-disadvantaged pupils.
4	<p>Our assessments and observations indicate that the education and wellbeing of many of our disadvantaged pupils have been impacted by partial school closures to a greater extent than for other pupils. These findings are supported by national studies.</p> <p>This has resulted in significant knowledge gaps leading to pupils falling further behind age-related expectations, especially in maths.</p>
5	Our assessments (including school-based and Trust surveys), observations and discussions with pupils and families have identified social and emotional issues for many pupils, notably due to bullying, and a lack of enrichment opportunities during school closure. These challenges particularly affect disadvantaged pupils, including their attainment.
6	21.43% of disadvantaged pupils have been 'persistently absent' compared to 14.81% of their peers during that period. Our assessments and observations indicate that absenteeism is negatively impacting disadvantaged pupils' progress.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved oral language skills and vocabulary among disadvantaged pupils.	Assessments and observations indicate significantly improved oral language among disadvantaged pupils. This is evident when triangulated with other sources of evidence, including engagement in lessons, book scrutiny and ongoing formative assessments.
Improved reading attainment among disadvantaged pupils.	KS2 reading outcomes in 2025/26 show that more than 50% of disadvantaged pupils met the expected standard.
Improved maths attainment for disadvantaged pupils at the end of KS2.	KS2 maths outcomes in 2025/26 show that more than 50% of disadvantaged pupils met the expected standard.
To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils.	Sustained high levels of wellbeing from 2025/26 demonstrated by: <ul style="list-style-type: none"> • qualitative data from student voice, student and parent surveys and teacher observations • a significant reduction in bullying • a significant increase in participation in enrichment activities, particularly among disadvantaged pupils
To achieve and sustain improved attendance for all pupils, particularly our disadvantaged pupils.	Sustained high attendance from 2025/26 demonstrated by: <ul style="list-style-type: none"> • the overall absence rate for all pupils being no more than 95%, and the attendance gap between disadvantaged pupils and their non-disadvantaged peers being reduced by 5%. In line with the national picture. Whole school aspiration is 95%

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £10,775

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Purchase of standardised diagnostic assessments for GPS, maths and reading (<i>NFER</i>, <i>PUMA</i> and <i>NGRT</i>)</p> <p>Training for staff to ensure assessments are interpreted and administered correctly.</p> <p>Deputy Headteacher overseeing data and responsible for monitoring effectiveness of new tests</p>	<p>Standardised tests can provide reliable insights into the specific strengths and weaknesses of each pupil to help ensure they receive the correct additional support through interventions or teacher instruction:</p> <p>Standardised tests Assessing and Monitoring Pupil Progress Education Endowment Foundation EEF</p>	<p>1, 2, 3, 4</p>
<p>Embedding dialogic activities across the school curriculum. These can support pupils to articulate key ideas, consolidate understanding and extend vocabulary.</p> <p>New PHSE programme purchased (<i>JIGSAW</i>) which embeds dialogic activities as a key concept within its curriculum design.</p> <p>Continue to monitor and invest in high quality resources to promote high quality vocabulary e.g. <i>Powerful words</i>. English Lead tasked with overseeing opportunities.</p>	<p>There is a strong evidence base that suggests oral language interventions, including dialogic activities such as high-quality classroom discussion.</p> <p>Oral language interventions Toolkit Strand Education Endowment Foundation EEF</p>	<p>1</p>

<p>Purchase of <i>Essential Letters and Sounds</i> programme and resources - A DfE validated Systematic Synthetic Phonics programme to secure stronger phonics teaching for all pupils.</p>	<p>Phonics approaches have a strong evidence base that indicates a positive impact on the accuracy of word reading (though not necessarily comprehension), particularly for disadvantaged pupils: Phonics Toolkit Strand Education Endowment Foundation EEF</p>	<p>2</p>
<p>Enhancement of our maths teaching and curriculum planning in line with DfE and EEF guidance.</p> <p>We will fund teacher release time to embed key elements of guidance in school and to access Maths Hub resources and CPD (including Teaching for Mastery training). Our Deputy Headteacher is a Maths Hub teacher who will take a lead on this.</p>	<p>The DfE non-statutory guidance has been produced in conjunction with the National Centre for Excellence in the Teaching of Mathematics, drawing on evidence-based approaches: Maths guidance KS 1 and 2.pdf (publishing.service.gov.uk)</p> <p>The EEF guidance is based on a range of the best available evidence: Improving Mathematics in Key Stages 2 and 3</p> <p>Time for release time for CPD.</p>	<p>3</p>
<p>Improve the quality of social and emotional (SEL) learning.</p> <p>SEL approaches will be embedded into routine educational practices and supported by professional development and training for staff. Investment in JIGSAW is also part of this.</p>	<p>There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers): EEF Social and Emotional Learning.pdf(educationendowmentfoundation.org.uk)</p>	<p>5</p>

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £6,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Purchase of <i>Black Sheep Press</i> SALT programme and resources to improve listening, narrative and vocabulary skills for disadvantaged pupils who have relatively low spoken language skills.</p>	<p>Oral language interventions can have a positive impact on pupils' language skills. Approaches that focus on speaking, listening and a combination of the two show positive impacts on attainment: Oral language interventions EEF (educationendowmentfoundation.org.uk)</p>	<p>1, 4</p>
<p>Additional phonics sessions targeted at disadvantaged pupils who require further phonics support delivered by 0.1 weekly teaching hours and class TAs with the appropriate level of CPD access.</p>	<p>Phonics approaches have a strong evidence base indicating a positive impact on pupils, particularly from disadvantaged backgrounds. Targeted phonics interventions have been shown to be more effective when delivered as regular sessions over a period up to 12 weeks: Phonics Toolkit Strand Education Endowment Foundation EEF Age-appropriate phonics books especially for Key Stage 2.</p>	<p>2</p>

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £4,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Whole staff training on behaviour management and anti-bullying approaches with the aim of developing our school ethos and improving behaviour across school.</p> <p>Miss Jolly as Anti-bullying champion.</p>	<p>Both targeted interventions and universal approaches can have positive overall effects:</p> <p>Behaviour interventions EEF (educationendowmentfoundation.org.uk)</p>	5
<p>Embedding principles of good practice set out in the DfE's Improving School Attendance advice. Head teacher taking lead on and establishing links with local authority.</p> <p>This will involve training and release time for staff to develop and implement new procedures and appointing attendance/support officers to improve attendance.</p>	<p>The DfE guidance has been informed by engagement with schools that have significantly reduced levels of absence and persistent absence.</p>	6
<p>"<i>The Girton Glebe Offer</i>" available for all disadvantaged families at Girton Glebe. This offer includes 1x sport club, 1x arts club and the residential trips (y5&6) paid for.</p>	<p>Ensuring that our rich extra-curricular programme is accessible for all families, both sporting and arts.</p> <p>Arts participation EEF (educationendowmentfoundation.org.uk)</p> <p>Physical activity EEF (educationendowmentfoundation.org.uk)</p>	4, 5
<p>Contingency fund for acute issues.</p>	<p>Based on our experiences and those of similar schools to ours, we have identified a need to set a small amount of funding aside to respond quickly to needs that have not yet been identified.</p>	All

Total budgeted cost: £20,775
