

Sport Premium: Expenditure 2022-23

Sport Premium Funding, also known as Olympic Legacy Funding, was announced by the government in March 2013 to run from September 2013 to August 2015. This deadline was then extended, the funding was allocated, and ringfenced, to be spent on PE and sport with guidance on how it could be spent.

For 2022-23 financial year we are received £17480.

Our expenditure for the year 2022-23 was:

	<u>Cost £</u>	<u>Description</u>	<u>Impact</u>
Local School Sports Partnership (SCSSP)	6790	Primary P.E. Specialist support and Partnership Core Offer (access to CPD, curriculum support and local competitions.)	Upskill teachers particularly ECT and new staff Increased participation in competitions and competitive sport
Access to SSP Training courses- SCSSP	200		Increased access to aspects of specialist CPD
Midday supervisor training	220	To support Mid-day supervisors to promote exercise through play	Organised for next year

Total	17480		

Swimming Pool

The Swimming pool has been well used in the Summer 2 half term. Each class has had two lessons a week. "The progress we see from those early swimmers, especially in the water confidence and body position in the water is fantastic over the half term."- KS1 Teacher

Many year groups have had their swimming lessons supported by an external swimming teacher as well as P.E./Swimming teachers from IVC.

2023 Data	Swim confidently over 25 metres	Use a range of strokes	Can perform self-rescue	Can do all 3
% Of 2022/2023 Y6	59%	50% can	64%	50%

Sports Clubs

There has been very good uptake again for out afterschool sports clubs. These include, gymnastics, multi-sports, girls' football, Tri-club, Taekwon-do. Children and parents show great enthusiasm for these clubs.

SCSSP/ IVC support with P.E. teaching

This year we have spent a large part of our Sports Premium money on upskilling the teachers and teaching assistants by having their lessons supported by a specialist P.E. teacher from IVC which have included swimming.

“Our IVC support has been a fantastic teacher to observe and learn from. Her lessons are always of an exceptionally high standard with great ideas and also lots of fun warm up games that I will continue to use. It’s always a pleasure to be part of her lessons.” - HLTA

“Having support in swimming has been great CPD for me. To be able to watch, participate and join in has been really beneficial. Now I feel much more confident in being able to teach swimming myself.” Teacher

School Partnership Sports Competitions

This year we entered several SCSSP competitions including the Cross country , Y 5/6 Tag Rugby, Y3/4/ Girls football, Y3/4/ Dynamo Cricket . We ran team practices for the cross country, girls’ football and cricket festivals leading up to the competitions which were very well attended making selection for each competition difficult. Next year we will look at when these competitions are and check that the relevant year group is doing that sport in P.E. before the competition.

“The cross-country running was my favourite because I’ve been training a lot.” Y3 child

“I enjoyed the cricket, we practiced a good amount, and hopefully more before we do it next year.” Y4 Child.

“Tag rugby was really fun even though the other teams were better than us.” Y6

“Cross country was really well organised and other children helped them up, so the spirit was really good.”- Y6 child

“The children had a great time and really enjoyed improving their team spirit at the tag rugby event.” -Teacher

Balanceability and Scooterbility

The SCSSP have helped us to run Balanceability for Reception and Scooterbility for Y1.

“The improvement seen through the Scooterbility course was very evident and it was also very helpful to learn how to teach Scooterbility and have a chance early in the year to focus on the children’s physical literacy and their core body strength. “ -KS1 Teacher

Playground Equipment

The new equipment on the playgrounds is very well used and put away each day by our Y6 helpers.

“The equipment is well used and the diversity of types of exercise the children do is much improved” TA

“I like the cars and playing with the circus equipment. The devil sticks are really tricky.”
